

ClearSign Technologies Corporation (Nasdaq: CLIR) (“ClearSign” or the “Company”), an emerging leader in industrial combustion and sensing technologies that improve energy, operational efficiency and safety while dramatically reducing emissions is seeking an experienced General Counsel for a part time position handling all legal aspects and to support the company’s rapid growth. The General Counsel will be an experienced corporate and securities attorney with prior experience in publicly traded companies. The position is based in Tulsa, Oklahoma.

Primary duties include

Providing guidance and support on securities and corporate governance matters as well as commercial and legal matters.

Prepare and/or review SEC filings and related documents

Create, review and give guidance on agreements and contracts the company negotiates,

Lead all legal matters and engage and manage outside counsel when required

Assist in implementing and maintaining corporate governance procedures

Assist in drafting and reviewing press releases and other publicity

Support the board of directors in areas of corporate governance, oversight and best practices

Qualifications

5 years as a corporate attorney with experience in public company governance, SOX/SEC compliance and filing requirements

Experience drafting and negotiating legal terms and agreements

Exact duties and work schedule are flexible and can be tailored to the experience and availability of the selected candidate.
